THE LEGEND OF

CACHITO LOCO

Deep in the depths of Mexico cabrón lived and roamed a masked wrestler by the name of **Cachito Loco**. A brave wrestler with a rebellious and quarrelsome character, standing a mere 150 cm tall.

But if there is one thing he is remembered for, it is his exaggerated attachment to Tequila. Yet **Cachito Loco** wouldn't settle for just anything: he wanted only the very best to quench his thirst.

One morning, after a night of partying, he woke up in what looked like an old, abandoned distillery. He couldn't remember how he got there, but to ease his hangover he drank from some old bottles, and in them he discovered the perfect Tequila, with a strong, authentic taste that made him feel like the greatest champion of all the wrestlers.
